BE A CHAMPION FOR OUR ANIMALS!

Each year hundreds of dogs and cats experience kindness, comfort, and second chances under our roof. The pets in our care range widely in size, age, and personality type, and our trained staff help adopters find a pet who fits his or her personality and lifestyle.

Our willingness to help is unlimited. However, our financial resources are not. We operate solely on your generosity. No tax dollars are received. So please help our devoted staff and volunteers continue our life-saving work. Your participation enables us to find loving homes for these abandoned animals.

Together we will unleash the Pawsibilities!
